

SMCA Chromebook Insurance Policy

As outlined in our Chromebook Handbook, it is required that all students purchase insurance to cover accidental damage to their school-issued device. The student will also be given a protective case that the Chromebook must be used all times.

South Merrimack Christian Academy requires that insurance be purchased prior to the deployment of the Chromebook to your child. South Merrimack Christian Academy will be the sole provider of this insurance. Under this insurance agreement, the Chromebooks are protected against accidental damage (drops, cracked screens, liquid spills), liquid submersion, theft, fire or flood, vandalism, natural disasters, and power surges due to lightning.

This insurance policy may not cover the loss of the Chromebook and/or its accessories or damages caused by **intentional misuse and abuse**. South Merrimack Christian Academy will assess the Chromebook damage and repair or replace the device if the damage is determined to be accidental and within these protection guidelines. **Parents/Students may be charged the full replacement cost of a device that has been lost or the full repair cost of a device that has been damaged due to intentional misuse or abuse.**

The insurance cost is \$30 annually for each Chromebook, which will be added to your school bill and may be subject to change. There is no deductible charged on any claim. However, SMCA reserves the right to deny any student the privilege of using a school-issued device because of multiple claims or intentional misuse or abuse.
