### **Secondary Athletic Policy**

Dear Athletes and Parents:

Welcome to SMCA's Athletic Program. Your interest in this phase of our school program is gratifying. We believe that participation in athletics provides the opportunity for developing lifetime skills, which will help students in becoming well-rounded individuals capable of making decisions and handling problems. We also look at sports as an opportunity to glorify our Lord Jesus Christ, and to provide competitive experiences that are fun, successful and promote individual growth within a safe and healthy environment. These experiences will become high school memories that will last a lifetime.

SMCA is a member of the New Hampshire Christian School Association Athletic League. If you have any questions or concerns regarding the SMCA Athletic Program or this handbook, please contact Mrs. Alyssa Adams at (603) 880-6832.

PLEASE NOTE: Students are *not* allowed to play sports with another organization if the sport is offered at SMCA.

#### **STUDENT ELIGIBILITY**

Any student in grades 7<sup>th</sup>-12<sup>th</sup> has the option to play SMCA Athletics.

#### **REQUIREMENTS FOR PARTICIPATION**

The following documents are required prior to a sports season for a student to be eligible to try out for an interscholastic sports team:

Current Physical Examination

Signed Athletic Contract/Permission Agreement

#### **SPORTS PHYSICALS**

Sports physicals will be given to the school nurse before a student is permitted to practice or participate. The sports physical is valid for one calendar year, however, a student whose physical expires before the season of competition will be asked to get a physical prior to the start of that season. A health history update is also required.

## **RISK FACTOR IN SPORTS**

Participation in sports involves a certain degree of risk of injury. Such physical injury can occur in any type of sports activity and vary in nature. Athletic injuries can run from minor bruises and scrapes to the more serious injuries such as fractures, dislocations, concussions, paralysis and even death.

## **INJURIES and SPORTS MEDICINE**

It is extremely important to report any injury to your coach immediately. If you have any questions, please do not hesitate to call our school nurse at 603.880.6832.

## **RETURNING TO AN ATHLETIC TEAM AFTER AN INJURY OR ILLNESS**

Any athlete who is seen by a doctor must be released (signed statement) by the doctor that treated your child to resume participation with their team. If you have to go to an emergency room for care, please obtain the release (written) before leaving the hospital because many times the attending physician may not be there the next time you visit. This release must be filed with our school nurse. It is the athlete's responsibility to get the release to the school nurse, do not leave this responsibility to some other person (coach, teacher or friend). In case of long term or severe injury, clearance by the school physician may also be necessary prior to the athlete returning to practice or competition. In the case of a concussion, proper protocols need to be in place and the coach is obligated to abide by those protocols.

## **ATTENDANCE POLICY**

Participants in an activity of sport are a part of our overall educational program. It is understood that students will be present in school in order to participate in a practice, game or activity that day. Team members on suspension or detention for any disciplinary infraction will not be allowed to practice or participate in any event for that day.

## **GAMES, PRACTICE SESSIONS and TRY-OUTS**

Team members must be present and on time for all scheduled practice sessions and games. Any athlete who is present in school but absent or late to the athletic activity must have prior permission from the coach or a note from a teacher to be excused. Students must be in school by 11:00 a.m. with a legitimate excuse in order to participate in games, practices, etc. Remember once you become a member of an athletic team, you made a commitment for the season.

Exemptions are limited to: Sickness, Funerals, Emergency Appointments, Religious Obligations, College Visitations, Exams, academic extra help

It is the responsibility of the athlete to inform the coach in advance (if possible) prior to missing a practice or a game. It should be noted that the Athletic Department realizes that unusual situations may arise, but communication is the key to understanding the circumstances. Try-out periods vary for each sport, but usually last only a few days. Your coach will inform you of their requirements.

## **EXTRA-CURRICULAR ELIGIBILITY POLICY (Grade 7–12 only)**

*Goal: To ensure academic success and extra-curricular participation for all students.*

Students must exhibit good conduct, have no F's, and maintain an overall C average in all classes on the subsequent report card. It is the student athlete's responsibility to get homework completed on nights when there are sports games or practice, even if the student misses the class. Academics take president over participation in sports, so if the faculty notices a Team member performing poorly the Team member's coach will be notified.

## **SCHOOL CLOTHING AND EQUIPMENT**

It is the responsibility of each athlete to return all clothing and equipment issued. Failure to do so will require an athlete to be billed for any missing articles. Failure to do so will result in forfeiting the right to receive any school equipment or clothing in the next sports season, or to be ineligible for any certificate, pin, or letter and have their report card held until payment is received. A list of outstanding equipment

and uniforms will be sent to the Athletic Director. The school will not be responsible for lost or stolen items.

### **TEAM STANDARDS**

In addition to observing regular school policies that are in effect at all times, athletes must:

- Attend all practices and contests unless excused by the coach;
- Never use inappropriate language;
- Never provoke, cause or engage in a fight;
- Never engage in any activity which may cause criticism of his/her team or school;
- Never be disrespectful to officials or coaches;
- Follow specific rules set up by the coaches.

### **SPORTSMANSHIP**

Good sportsmanship extends to all levels of competition. However, it must also be seen that any member of a squad ruled out of a contest for un-sportsmanship conduct or flagrant foul shall not participate in the next previously scheduled contest.

Any member on the team who strikes, shoves, kicks or makes other physical contact with intent to do so to an official shall be expelled from the game immediately and banned from further participation in all sport for one year from the date of the offense. NOTE: Member of the team includes player, manager, and scorekeepers.

### **TRANSPORTATION**

Students must be transported to and from all away athletic contests by school authorized vehicles. In the event that a personal vehicle is required to transport students, the driver of the vehicle is required to fill out a Driver Questionnaire form located in the office.

### **DIRECTIONS**

Directions to away contests will be provided in FACTS (Renweb). It is advised to contact the host school on the day of the contest to confirm the site.

### **SPECIAL AWARDS**

Each sport team awards individual athletic achievement. These include:

- Most Valuable Player
- Most Improved Player
- Coaches Award
